TRADIOHEAD ANNOUNCE IRISH TOUR

It's exactly what it sounds like...

The Hot Press Newsdesk, 15 Aug 2013

Team Hot Press strongly advises you to catch Tradiohead when they swing by Cyprus Avenue, Cork (August 22); De Barra's, Clonakilty (23); Kelly's, Galway (30) and Whelan's, Dublin (September 12).

As the name implies, the Galway outfit fiddle (whistle, accordion, bodhran etc.) furiously with Thom Yorke & Co's back catalogue.

We didn't expect it to work, but it really does!
